Testimonies

Children are spending time with God everyday

We were super excited when Eva's mom sent us the following note:

*"Do you know where I can order more books for **Every Day with God**? Eva loves it, it becomes her routine for every day. We finished half of the book so far."*

Children are looking forward to Summer Club

Church partners are grateful for (CPC)

"Four children made a decision to accept Christ, and four Arabic families committed to come to church because of the Christmas program."

Children are growing in knowing God

In the beginning of this year, we met 8 year-old Samuel. He asked us:

"When are we going to have club, the one we had at Marose's backyard in summer?"

We asked children in our online club recently,

"How is our heavenly Father different from us?"

Joseph, an 8 year-old, said it loud and clear:

"He is almighty and all powerful, He can save us from sin and we cannot save ourselves."
